Define Problem Statements (Customer Problem Statement):

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A student/early-career professional attending a networking event	Initiate meaningful conversations with unfamiliar attendees	I don't know attendees' backgrounds or shared interests going in	Preparation is entirely manual and there's no time right before the event	Anxious and I default to superficial small talk
PS-2	An introverted professional at a large industry conference	Build genuine, high-value professional connections	I struggle to find relevant conversation topics on the spot	There's no structured way to connect the event's theme to my own interests quickly	Overwhelmed and I end up avoiding interactions altogether
