Empathy Map:

SAYS: 1. I never know what to say to people. 2. I just stood near the coffee table the whole time. 3. I wish I'd looked up the speakers beforehand		THINKS: 1. What if I sound uninformed? 2. Everyone else seems to know each other already. 3. I should have prepared something
	Persona: First-time conference attendee, early-career software engineer	
DOES: 1. Scrolls Phone/LinkedIn awkwardly to avoid eye contact. 2. Sticks to people he already knows. 3. Leaves early		FEEL: 1. Anxious 2. Self-conscious 3. Regretful about missed opportunities afterward

Pains	Gains
No quick way to research a stranger or event theme in the moment. Generic advice blogs don't map to the specific event he's at.	Wants confidence going in, a natural opening line, and a way to look informed without hours of prep.
